

Way of Jesus Self Assessment:

For each of the 7 WoJ Markers, circle the statement that best describes you. Since the statements fall along a spectrum, feel free to circle any portion of a statement from left to right, or even draw a circle overlapping more than one statement. Do not draw more than one circle in each category... Each statement assumes that all of the statements before it in a category (to the left) are already true for you.

	HIS LIFE: I have begun following Jesus and am depending on the Spirit of Jesus for my journey.				
I am not sure what this means.	I know that I am "born again" and I am considering becoming or am already baptized.	My Identity, my Value, & my Purpose are anchored in Jesus and in who God says I am.	I practice daily rhythms for my own spiritual growth & I celebrate His work in my life & circumstances.	I Listen to God through His Word, His Spirit, & His Church; I Trust God; I Obey God. I recognize & follow God's leading & direction in my life.	
	HIS MISSION: I am being sent by Jesus to bless others and to invite them to follow Him.				
I don't know what God's Will or my Purpose in Life is.	I know that God has a mission in the world, but I'm not sure what my role is in His Mission.	I am Learning what my Spiritual Gifts are, and I am learning how I fit into God's Mission.	I use my Gifts, Actions, Words, & Prayers when there is an obvious opportunity or need.	I look for ways to use my Gifts, Actions, Words, & Prayers every day to Bless someone and to invite them to encounter Jesus.	
	HIS CHARACTER: I am learning to be like Jesus in my Attitude, Behaviour, and Character.				
I don't know what Jesus is really like in His Attitude, Behaviour, & Character.	I am learning what Jesus is like. I recognize how the Way of Jesus is different from the way of the world.	The <i>Fruit of the Spirit</i> is growing in me, and I notice changes in my thoughts, feelings, words, & actions.	My Thoughts, Words, and Actions are motivated by Jesus.	I actively try to Think, Speak, and Act like Jesus. Always.	
	HIS LOVE: I am learning to love God and love others.				
Love is about how I feel or about how God or someone else makes me feel.	I am learning to love God by obeying God.	I joyfully spend time with God in private and public worship and prayer.	I am learning to love others the way that Jesus loves people.	I am becoming more humble & sacrificial for the good of others, first.	
	HIS TEACHINGS: I am learning the teaching of Jesus (the Whole Bible).				
I don't read or understand the Bible.	I hear the Word of God taught at church, but I don't read it myself.	I occasionally open my Bible on my own or with someone else, or I see a verse-of-the-day, and that's enough for me.	I follow a Bible reading plan or devotional, most days.	I read the Bible daily, I reflect on how it applies to my life, I memorize Scripture.	
	HIS DISCIPLES: I am helping someone and someone is helping me to be a reproducing follower of Jesus.				
I am a "lone wolf". Being a Christian is on my own terms.	I am learning to depend on others for their knowledge and wisdom about how to follow Jesus.	I can name a person(s) who helps me to follow Jesus.	I meet regularly with the person who helps me to follow Jesus. We read & discuss the Bible and we pray together.	I intentionally meet with a specific person who I help to follow Jesus. We read & discuss the Bible and pray.	
	HIS COMMUNITY: I am participating in a community of followers of Jesus on mission to the world.				
I attend Church or a group, but I don't serve or give. Church is optional.	I occasionally serve or give when there is a need and I feel like it and it doesn't interfere with my plans.	I usually volunteer my time, and I give (donate) joyfully when I am able.	I actively look for ways to use my gifts in the Church, to build relationships in the Church, and to encourage others. Church is family.	I am committed to and prioritize my church participation, I serve in a specific role, and I give my first and my best. Church is necessary and central in my life.
